Muscle Magic C77

Muscle Magic is a highly concentrated completely biodegradable, water based heavy-duty degreaser. Undiluted, in addition to grease, dirt and grime, this product will remove paint. Dilute 10:1 for use as an all purpose cleaner or 5:1 for degreasing.

Zap It C92

This cleaner will clean almost any dirt from fabric like floor mats, seats and interiors, and especially carpets. Zap-It is great at removing crayon, coffee, ink and many other stains you would encounter on a daily basis.

Rubber Dressing F71

This is a water-based concentrate containing no silicone; therefore it is body shop safe. This product can be diluted up to 1:4 with water depending on the application and desired results. Rubber Dressing will give tires a "new tire" look without the high gloss shine of Cover-All. This product is also safe for engine detailing.

Dirt Buster C60

Concentrated cherry car soap. Dirt Buster features a high, stable foam made with the highest quality film free rinsing agents.
