

Road Warrior C46

TECHNICAL DATA SHEET

Description

This is a concentrated industrial soap and degreaser. Road Warrior is an excellent black streak remover on RV's, Boats, trailers or any larger vehicle. This product is water based and will not harm any decals on the exterior of vehicles, buses or RV's. It is also used to degrease engines and can be used as a floor cleaner, also great truck and bus soap. This product is low foam and works great in pressure washers or floor scrubbers. Dilution depends on the severity of the job and can be diluted as high as 100:1 with water.

Advantage

This non-filming, low-foam formula allows for easier rinsing and ensures a spotless finish. Safe for use on wheels and rubber, it provides effective cleaning without causing any damage. The concentrated, fast-acting solution is perfect for tires, wheels, and general exterior cleaning.

Directions

For Black streak removal dilute 1:1 and spray on surface, then wash surface with truck wash brush and rinse. Heavy duty wash, mix 3-5 oz per gallon and brush on. Use pressure washer to rinse. All purpose cleaning dilute 4:1. This product can be diluted as much as needed depending on the severity. Road Warrior is safe on all surfaces. Use caution on Rims and wheels with no clear coat

Specifications
