

Vehicle Soap with Wax C65

TECHNICAL DATA SHEET

Description

Soap and Wax together to make a premium quality high foaming vehicle soap designed for the clear coat environment. This rich foam formula contains the highest quality biodegradable surfactants available. This product is designed to break down and suspend the dirt and grime from the vehicle prior to the rinse cycle. Contains water softeners and rinsing agents to improve the cleaning requirements of the most demanding car wash and detailing personnel.

Advantage

Soap and Wax together to make a premium quality high foaming vehicle soap designed for the clear coat environment. This rich foam formula contains the highest quality biodegradable surfactants available. This product is designed to break down and suspend the dirt and grime from the vehicle prior to the rinse cycle. Contains water softeners and rinsing agents to improve the cleaning requirements of the most demanding car wash and detailing personnel.

Directions

For direct hand wash applications, pour 2 ounces into a clean bucket spray cold water directly into the bucket. Wash n Wax will foam up and is ready to clean. When using a Hydrominder Proportioning System, dilute 40:1 to 60:1. Do not allow product to freeze. Freezing separation can occur at 32° F.

Specifications

Physical form	Liquid
Color	Blue
Scent	None
Density	9 lbs. per gallon
Foam test @ 1% solution	120 to 145 mm
pH Solution	8.0
pH 2% Solution	8.2
Biodegradable Surfactants	Present
Optical Brighteners	Present

Shipping Weight in Pounds

55 gallon plastic drum	495 pounds
30 gallon plastic drum	270 pounds
5 gallon plastic pail	45 pounds
