

Fire Power C58

TECHNICAL DATA SHEET

Description

Concentrated non caustic low foam degreaser. Great for use in confined quarters where ventilation is low and chemical fumes can be a problem. Our formula won't discolor or harm rubber or damage decorative decals. Contains a highly effective surfactant and solvent system for maximum cleaning. Also works great as a low foam parts cleaner and for use in extractors. Very strong cleaner- and degreaser without the strong odor.

Advantage

Cleans and degreases leaving a pleasant cherry fragrance instead of the strong chemical odor found in caustic degreasers.

- Non-filming.
- Specialized low foam surfactants.
- No petroleum based solvents.
- Safe on wheels and will not harm rubber.
- Environmentally safe.

Concentrated, fast acting, degreaser great for parts washing machines of all sizes. Recommended by Mart industrial pressure washer for cleaning industrial parts such as rail car parts and large truck parts.

Specifications

Physical form	Liquid
Color	Red
Scent	None
Density	9 lbs. per gallon
pH Solution	12.9
pH 2% Solution	7.2
Biodegradable Surfactants	Present
Optical Brighteners	Present

Shipping Weight in Pounds

55 gallon plastic drum	495 pounds
30 gallon plastic drum	270 pounds
5 gallon plastic pail	45 pounds
