

Zap It C92

TECHNICAL DATA SHEET

Description

D-Limonene stain remover formulated to clean and remove most stains from carpet and upholstery. Naturally occurring citrus cleaner contains no caustics, acids or petroleum distillates. Product naturally separates in the container and needs to be shaken to activate the special cleaners.

Excellent for removing coffee, soda, tar, ground in dirt, catsup, mustard and other common stains found in today's carpets and fabrics.

Advantage

Economical. Product has numerous cleaning uses saving on inventory and shelf space. Rinses easily. Provides excellent removal of dirt and road film at a low cost per car. Natural citrus base liquid detergent concentrate. This unique concentrate provides high speed deep cleaning under the most difficult soil conditions.

Directions

Spray directly onto the material being cleaned and rub gently with an appropriate brush or cloth. Wipe cleaned surface with a clean cloth. Stains and dirt are removed upon contact. Zap It can also be used in 'Tornado' cleaning machines and carpet extractors but you will need to shake the product well before dispensing.
