

Orange Blast IP1150

TECHNICAL DATA SHEET

Description

D-Limonene degreaser formulated to clean and degrease motors, engine parts, tires, whitewalls and wheels. Naturally occurring citrus degreaser contains no caustics, acids or petroleum distillates. Excellent stain remover for carpets or cloth upholstery.

Advantage

Economical. Product has numerous cleaning uses saving on inventory and shelf space. Rinses easily. Provides excellent removal of dirt and road film at a low cost per car. Natural citrus based liquid detergent concentrate. This unique concentrate provides high speed deep cleaning under the most difficult soil conditions.

Directions

For direct feed applications, apply 1.5 ounces of concentrate per vehicle. When using a Hydrominder Proportioning System dilute 75:1 (Brown Tip) to 120:1 (Purple Tip). Do not allow product to freeze. Freezing separation can occur at 32°F.

Specifications

Physical form	Liquid
