

Super Blue D25

TECHNICAL DATA SHEET

Description

This is a very strong engine degreaser and tar remover. The product is a fast acting blue liquid that can be sprayed on vertical surfaces, enhancing its ability to remove tar and grease from vehicle panels. Super Blue begins working instantaneously. Super Blue is solvent based and cannot be diluted with water. This product is not available for sale in the following states: California, Illinois, Indiana, Michigan, Ohio, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, Virginia, Washington DC

Advantage

Potent solvent based degreaser that works extremely well on grime, grease, and tar. Super Blue adheres to vertical surfaces and breaks down grease, tar and oil immediately. Will not harm paint but will remove any wax on the vehicles surface.

Directions

Tar removal: Spray directly on area to be treated. Let product soak in for 1 to 3 minutes. Tar will dissolve, wipe treated area with clean cloth. Engine degreasing: Spray directly onto a non running engine. Let product to soak in for 3 to 5 minutes. Rinse solvent with water.

Specifications

Physical form	Liquid
Color	Blue
Scent	Solvent
Density	8 lb. per gallon
Foam test @ 1% solution	120 to 145 mm
pH Solution	7.5
pH 2% Solution	7.2
Biodegradable Surfactants	Present
Optical Brighteners	Present

Shipping Weight in Pounds

55 gallon plastic drum	476 pounds
30 gallon plastic drum	262 pounds
5 gallon plastic pail	46 pounds
